Water Refill Points

WPNSA encourages visitors to bring their own reusable drinking containers. There are four water bottle refill points: one in the Cafeteria, one outside the toilet corridor and two at the bottom of the Event Hall ramp. You will see these signs next to the refill points:

Dinghy Park – No Glass or Crockery

For everyone's safety, we kindly ask that no glass or crockery is used in the dinghy park or under the balcony. Many sailors are bare footed or just in dinghy boots walking around, so we want to prevent any cuts from broken glass or crockery.

Scooters, Skateboards, Segways etc.

We kindly ask that these are not used on site and especially not inside the building. They cause quite a few accidents, not least by the people riding them!
